

Emma Jewel Charter Academy

"Helping the Village Raise the Child"

Volume I Issue 8

December 6, 2013

Principal's Message

Parents,

Emma Jewel Charter Academy will be participating in the Brevard Public School Science Fair for grades 3rd - 7th. The primary purpose of the science fair project is to teach the scientific method of investigation. This systematic way to approach technical problems or problems arising from student curiosity about a scientific topic can help students in approaching any number of problems in their futures. Systematic thinking and planning are key to success in tomorrow's workplace. Science Projects affords students the opportunity to experience formal investigation in a competitive environment while enabling them to learn from their peers.

In an effort to help parents understand how they can help their children prepare for this very special learning opportunity we are holding a second parent informational night on December 10, 2013 at 5:30 p.m. Parents will be provided the display boards and crucial information as it relates to the proper components of the science project to ensure the success of their children. Additionally, on this same evening we will have a parent orientation for our 6th/7th grade students for receipt of their Kindle Fire Tablets. All parents must attend an orientation in order for their children to be assigned a Kindle Fire Tablet.

I look forward to seeing you all there. Have a great weekend

Thomas Cole, M. Ed.
Principal

Emma Jewel Charter Academy Heart and Health Pledge

As a dedicated member of the Emma Jewel Charter Academy,

I pledge my commitment to achievement and service.

I pledge to make healthy choices, personally and socially, because I respect myself, other people and my environment.
My choices reflect my character.

I pledge to nurture myself, so that I am capable of nurturing my family, my friends and my community.
By helping others, we help ourselves.

I pledge to value the opportunity to learn, and to respect and support the efforts of my teachers.
Education is the gateway to success.

I pledge to recognize that each day is a new opportunity to better myself, and the world I live in.

This is my choice.

This is my pledge.
